No. 7 "ANDY'S TEMPTATION"

Bound for Australia, Andy manages to break about a dozen flasks of hooch belonging to the man in the adjoining cabin. He meets Miss Summers, the blonde vamp, and unintentionally arouses Min's jealous streak.

Their ship wrecked by a derelict, the women passengers and Andy are cast on a desert island, where Gump is made sultan by the women. He has considerable difficulty in fishing, being caught by an alligator. Trying to milk a cow, he is beamed by a rock he's tied to the bovine's tail to keep it still, and later, after tying the tail to his belt, is dragged all about the island by the indignant moo-moo.
